WHAT IS THE MILK SPORT FAIR?

The Milk Sport Fair is a fully-interactive sporting event and an excellent opportunity for your students to get active and learn about the many sport options available in Nova Scotia. **Since 2002, more than 84,000 students** from across the province have participated in the Milk Sport Fair program.

Sport Nova Scotia is pleased to announce that the Milk Sport Fair will be in **Stellarton, Nova Scotia!**

ACTIVITIES FOR GRADES 3 TO 8

A fully interactive experience

Representatives from sport organizations will encourage your students to give their sport a try. Whether it's driving a golf ball, taking a slap shot, shooting a basket, spiking a set, swinging a bat, doing a karate kick, or even paddling a kayak, we are confident your students will enjoy actively participating in the numerous exhibits.

Learn what sport has to offer

Experience sport demonstrations, exhibitions, inspirational presentations, or information sessions. The Milk Sport Fair is entertaining and fun for everyone.

Options for everyone

Participate in up to 30 sports.

Be inspired

Meet some of Nova Scotia's top athletes and coaches, learn their training techniques, get an autograph, and see them in action.

A MORE ACTIVE NOVA SCOTIA

The rationale for participation in sport and physical activity is extensive. Well-structured sport programs provide children with higher levels of fitness, better health, social involvement, and the satisfaction derived from developing skills in individual and group activities.

The Milk Sport Fair endeavours to accomplish:

- create excitement about what sport in Nova Scotia has to offer our youth;
- promote health, physical activity and sport to Nova Scotia's youth;
- increase the number of Nova Scotians who commit to physical activity for life; and
- decrease the costs of health care by increasing the physical activity levels of Nova Scotians.

REGISTRATION

To register your class please click below:

WWW.SPORTNOVASCOTIA.CA

Cost is \$5 per student, payable in cheque or cash upon arrival at the registration table. Please make cheques payable to Sport Nova Scotia. Receipts will be provided.

MAY 2ND

Thursday
9am- 2pm

Friday
9am- 2pm

WILLIAM M. SOBEY INDOOR SPORTS COMPLEX

Our Registered Dietitians create resources that are free and easy to access for teachers. They are age appropriate, engaging and contain factual, up-to-date information on food and nutrition.

In addition to being the proud sponsor of the Milk Sport Fair, we are on-site at the event. Visit our Teach Nutrition booth to speak to one of our dietitians and pick up educational tools for your classroom.

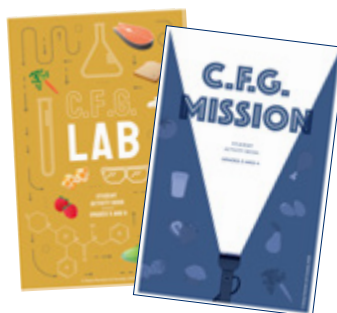

You don't have to wait until the Milk Sport Fair to connect with us. Visit TeachNutrition.ca to download activities, order free resources and sign up for our newsletter.

FREE RESOURCES THAT MIGHT INTEREST YOU

[RECIPE BROCHURES](#)

Simple cooking activities for your classroom. Get class sets of our ever-popular Spin-a-Smoothie and Meals in a Jar series as well as Dip into Variety.

[LEARN ABOUT CANADA'S FOOD GUIDE](#)

Help students learn about the basics of Canada's Food Guide with these free activity booklets and videos!

[FEEDING CANADA: EXPLORING OUR FOOD SYSTEM](#)

Take your students on an interactive journey through the food cycle. Explore six topics with videos, student viewing and teacher guides.

[THE FOOD LAB: HANDS-ON STEM ACTIVITIES](#)

Explore food and science with your students. Each activity includes a teacher guide and student worksheets.

Title Sponsor

Dairy Farmers of Canada is a national farmer-run organization representing the men and women who work hard to produce high-quality milk for Canadian families. In Nova Scotia, Teach Nutrition dietitians work on behalf of 200 local farms to offer educational resources on food and nutrition. We have been a proud supporter of the Milk Sport Fair for 20 years.

Another program that Nova Scotia dairy farmers are proud to support is the Nova Scotia School Milk Program. This program is designed to help children meet their nutritional needs by providing milk in schools at a reduced price. The program is funded in part by your local dairy farmers, dairy processors & Nova Scotia Department of Agriculture.

Host

Sport Nova Scotia is a non profit, non government federated organization. Our membership is made up of over 50 sport governing bodies, ("Provincial Sport Organizations" or "PSOs"), as well as multisport organizations and other groups and individuals that share a mutual interest. Collectively we are a voice for more than 160,000 member Nova Scotians.

Presenting Sponsor

As a funding partner of Sport Nova Scotia, the **Nova Scotia Department of Communities, Culture, Tourism and Heritage**, provides policies, programs and services that maintain, enhance and create quality sport recreation and fitness opportunities to improve health and contribute to the social and economic well-being of all Nova Scotians.

"The kids are getting exposed to a lot of different sports and activities that they may not have seen before. This gives them an open mind to try a bunch of different sports and find one they enjoy. One more kid involved in sport the better."
