Title Sponsor

Dairy Farmers of Nova Scotia - Nova Scotia's dairy farms are a cornerstone of the province's rural vitality, and their commitment to producing milk "the Canadian way" is more than just a slogan—it's a promise rooted in quality, care, and community.

Another program that Nova Scotia dairy farmers are proud to support is the Nova Scotia School Milk Program. This program is designed to help children meet their nutritional needs by providing milk in schools at a reduced price. The program is funded in part by your local dairy farmers, dairy processors & Nova Scotia Department of Agriculture.

Host

Sport Nova Scotia is a non profit, non government federated organization. Our membership is made up of over 50 sport governing bodies, ("Provincial Sport Organizations" or "PSOs"), as well as multisport organizations and other groups and individuals that share a mutual interest. Collectively we are a voice for more than 160,000 member Nova Scotians.

Presenting Sponsor

As a funding partner of Sport Nova Scotia, the **Nova Scotia Department of Communities, Culture, Tourism and Heritage.** provides policies, programs and services that maintain, enhance and create quality sport recreation and fitness opportunities to improve health and contribute to the social and economic well-being of all Nova Scotians.

"The kids are getting exposed to a lot of different sports and activities that they may not have seen before. This gives them an open mind to try a bunch of different sports and find one they enjoy. One more kid involved in sport the better."
